Synopsis

The Conqueror's Chalice (Yaoi Manga)When Prince Masoo invaded the nation of Tou, he was only able to save one prince from committing suicide alongside his mother and the defeated king's other wives and children. As the years pass, the young Kisame grows attached to the man responsible for his family's death, and through Masoo's care he grows into an accomplished young man. Kisame looks up to Prince Masoo as his guardian and role model, but on the night of Kisame's great victory at the martial arts tournament, the prince forces him into bed and declares that Kisame is his toyTranslated by Frederique L. Morris; Edited by Brittany Quinn; Lettered by Melanie Davis

Sort review

"This is an excellent, timely, and relevant account of the work of Médecins Sans Frontières/Doctors Without Borders by the executive director of MSF Canada from 1998 to 2005. . . The easy-to-read text is accompanied by black-and-white photos that show the humanity and the intense severity of the conditions described. This fascinating volume will introduce readers to a dedicated organization that gives people who live in forgotten places 'evidence that someone actually cares.' "-- School Library Journal Starred Review"Morley fulfils his objective to let students know how the organization works, where it goes on missions, what it does there, and about the lives of the people the organization seeks to help. . . He does not gloss over the challenges but leaves the reader with a hopeful sense that individuals can get involved and help to make the world a better place."Recommended.-- CM Magazine"In this admirable book about the aid agency Doctors Without Borders - called in Canada by its French name, Médecins Sans Frontières (MSF) - David Morley presents a clear, realistic picture of people working under extremely difficult circumstances to provide medical and other help where it is most desperately needed. . . Healing Our World is an inspiring book that could well change the lives of some readers."-- Quill & Quire"Teens with an active social conscience and an interest in humanitarian causes will be inspired when reading this book. The accounts of MSF volunteers who have worked in the field are particularly fascinating and heighten the interest of the book."-- VOYA Book Review"Profoundly moving"-- The Globe and MailBook Description2007 Moonbeam Children's Book Awards: - Bronze Medalist, Young Adult Non-Fiction Category, and - Bronze Medalist, Peacemaker Award CategoryCCBC's Best Books for Kids & Teens, 2008 Starred ChoiceRed Maple Book Award - Non-Fiction nominee 2009About the AuthorFor seven years, David Morley served as the Executive Director of the Canadian section of Doctors Without Borders. His work took him to refugee camps in the rebel-held areas of Congo, to earthquake-shattered villages in El Salvador, to the simple huts of destitute AIDS patients in Zambia.Read more

What people say about this book

Sara Ulmer, "One more yaoi added to my list of reads. It was very touching. This shows that people make mistakes and can be forgiven, even if another person killed your family."

C. Rock, "Beautiful Betrayal. This was a beautiful story. It was an elegantly told story about ancient China and two rulers who were destined to rival against each other until one decided to change fate. It could have had more angst, but it was enough for me."

Paige C., "Good book for someone. It is a good Yaoi if you don't mind the whole dominance thing, I mean way over dominant. For me it was ok but it was a little too harsh for my taste."

Zoey, "an okay read. It was okay the ending is all neat and tidy, not very exciting. Overly priced for a 1.5 to 2 hour read."

Unicornhal, "Great. It was a good e book. I have a lot of this writer's work. It was a good story. I wish it had more to it. This is a book that goes with a series that is very good."

Isobal, "Großartig mit Hollywood-Ende. Dieser Manga kann künstlerisch voll überzeugen. Die Zeichnungen sind delikate, die antiken Gewänder sind fließend, Hintergründe werden detailliert gestaltet. Es gibt eine Stufe darüber, aber die ist endgültig göttlich. Vom ästhetischen Gesichtspunkt betrachtet: wunderschön. Auch die harte Realität wird in der Geschichte thematisiert, gewiss keine standardisierte BL-Kost. Der Ursopator Masoo erschleicht sich das kindliche Vertrauen des einzigen Überlebenden der niedergemetzelten unterlegenen Dynastie, um es schlussendlich grausam zu missbrauchen. Er degradiert ihn, kaum erwachsen geworden, zum Spielzeug. Der Missbrauchte, Prinz Kisame, sinnt glaubhaft auf Rache. Schade nur, dass diese glaubhafte Story am Schluss doch dem Drang zum Happy End nachgibt, Kisame im sexuellen Missbrauch die Liebe entdeckt - und alles gut wird. Das ist ernüchternd."

The book by David Morley has a rating of 5 out of 3.7. 27 people have provided feedback.
