What people say about this book

Mel T, "You can't get a better book than Nolo.. Written very well and it is easy to understand. I always relied on Nolo as they put more thought in their material than most authors regarding bankruptcy. The question is will it work for me? That I don't know as it will put a negative mark on my credit report where I would lose points and imagine it will have to stay on my credit for a number of years. Yes, it wipe everything out which include many doctor bills. It might inhibit me to get better medical care. Once they have your social security number, very easily a credit check can be run. That is what concerns me."

Deborah S. McDevitt, "Oo. Good guide"

Jennifer Jones, "I recommend it.. I had purchased this previously and had highlighted and made notes in it but ended up giving it to someone that was learning the ropes and found that I needed it again. I recommend it.JJ"

Christopher L. Kesler, "Four Stars. Good legal book..."

Gypsy Samuels, "Good book, good information. Buy this book."

James C. Willison, "Five Stars. Worked for Donald Trump"
