About the Author With more than two million books in print, David D. Busch is the world's #1 best-selling camera guide author, with more than 100 guidebooks for Nikon, Canon, Sony, Olympus, Pentax, and Panasonic cameras, and many popular books devoted to digital photography and imaging techniques. His best-sellers include *Digital SLR Cameras and Photography for Dummies*, which has sold more than 300,000 copies in five editions, and *Mastering Digital SLR Photography*, now in its Fourth Edition. The graduate of Kent State University is a former newspaper reporter/photographer, and operated his own commercial photo studio, shooting sports, weddings, portraits, fashion, architecture, product photography, and travel images. For 22 years he was a principal in CCS/PR, Inc., one of the largest public relations/marketing firms based in San Diego, working on press conferences, press kits, media tours, and sponsored photo trade magazine articles for Eastman Kodak Company and other imaging companies. His 2500 articles and accompanying photos have appeared inside and on the covers of hundreds of magazines, including *Popular Photography*, *Rangefinder*, and *Professional Photographer*. For the last decade, Busch has devoted much of his time to sharing his photographic expertise, both in publications, and in seminar/workshops he hosts at the Cleveland Photographic Society School of Photography. He has been a call-in guest for 21 different radio shows nationally and in major markets, including WTOP-AM (Washington), KYW-AM (Philadelphia), USA Network (Daybreak USA), WPHM-AM (Detroit), KMJE-FM (Sacramento), CJAD-AM (Montreal), WBIX-AM (Boston), ABC Radio Network (Jonathan & Mary Show). He's also been a call-in guest for one Canadian television show, and appeared live on Breakfast Television in Toronto, the Today Show of the Great White North. With a total of more than 200 books to his credit, Busch has had as many as five books appear simultaneously in the Top 25 Digital Photography Books, and

when Michael Carr of About.com named the top five digital photography books for beginners, the initial #1 and #2 choices were Busch's Digital Photography All-in-One Desk Reference for Dummies and Mastering Digital Photography. His work has been translated into Arabic, Spanish, Chinese, Japanese, Portuguese, Bulgarian, German, Italian, French, and other languages. Busch's Web portal is www.dsrguides.com

Risk Disclaimer
Trading in any financial market involves substantial risk of loss and is not suitable for all investors. Any style of trading in any market condition is extremely risky and can result in substantial financial losses in a very short period of time. There is considerable exposure to risk in any transaction including but not limited to, the potential for changing political and/or economic conditions that may substantially affect the price or liquidity of a trade. Trading is a challenging and potentially profitable opportunity for those who are educated and experienced in trading. Before deciding to participate in the markets, you should carefully consider your objectives, level of experience and risk appetite. Most importantly, do NOT invest money you cannot afford to lose. Objective, experience, risk of loss, leverage, creditworthiness, limited regulatory protection, market volatility that may substantially affect the price or liquidity of a trade, communication failure, etc. could put you at risk for the loss of some or all of your capital and/or assets. The possibility exists that you could sustain a total loss of initial funds and be required to deposit additional funds to maintain your position. We are not offering to buy or sell and of the financial instruments mentioned in any service we offer and we are not representing ourselves as a registered investment advisor or broker dealer. We do not guarantee or represent that members acting upon any suggestion mentioned or discussed in any of the services we offer, will result in a profit. All decisions to act upon any suggestions made in any service we offer is the sole responsibility of the member. We will not be held responsible or liable to members or any other parties for losses that may be sustained while trading. YOUR

trading and financial actions taken are solely 100% YOUR decision and responsibility.

What people say about this book

Art, "Four Stars. Very good, I will revisit often for review."

Ebook Library Reader, "REVIVAL. I have studied technical analysis for two decades and yet this little book had some information I had not seen before. I will re incorporate this indicator into my trading system as I had set it aside for other indicators. In a sense, I am reviving an old standby."

evolutionofj, "Great for newbies!. Great ebook! I haven't gotten through it all, but it goes great with the videos I have watched, easy to read and understand."

Ebook Library Reader, "A very informative book. Clearly explained and look for more fromThe author. Good advice in candles in the charts."

vinod kumar sharma, "Trading Tools. Nice trading tools .I use it for intraday trading in shares and commodities."

Saroj Barik, "Nice book. A very good to understand the basic of relative strength index and I like it too.it is written in simple language."

The book by Charlie Borland has a rating of 5 out of 3.2. 87 people have provided feedback.
