

Easy Butterfly Origami (Dover Origami Papercraft)

by
Kathy Ross

EBOOK DOWNLOAD

Synopsis

From the vivid Green Cairns birdwing to the striped Tiger Swallowtail and the Blood Red Glider, these beautiful butterflies feature a kaleidoscopic array of colors and patterns. Includes simple instructions for folding, and perforated pages for easy removal. All of the origami patterns are designed to highlight the diversity of species, with accurate portrayals of variations in the insects' top and bottom views. Each butterfly model is accompanied by fun facts about behavior and distribution.

Sort review

The book can be fun for beginners and kids, who will surely enjoy making and comparing the different colorful designs.~Gilad Aharoni, "Gilad's Origami Page: Everything Origami at Your Fingertips" From the Author Step-by-step video instructions for folding the butterflies in this book can be found at youtu.be/sOdyuaAL4Ag. About the Author Award-winning author/illustrator Tammy Yee has worked on more than thirty children's books including "The Tsunami Quilt" (written by Anthony Fredericks, Sleeping Bear Press), Honor Awards winner for the 2008 Storytelling World Awards in the Stories for Pre-Adolescent Listeners category; "A is for Aloha" (written by Uilani Goldsberry, Sleeping Bear Press), selected by the Hawaii Center for the Book to represent the state at the 2006 National Book Festival; "Lullaby Moon" (written by Elaine Masters, Island Heritage Publishing), winner of the 2003 Ka Palapala Po'okela Award for Excellence in Children's Books; and the island children's classic, "Baby Honu's Incredible Journey" (Island Heritage Publishing). What people say about this book

Peppermint Patty, "Gorgeous book!. Beautiful book!!"

J.D. Behson, "A wonderful book for beginner folders.. It is certainly easy to fold these models since they are all the same folding pattern. The paper is beautiful and the description of each butterfly is a nice addition. The only drawback is that the paper is heavy and tends to rip on the last fold because of the thickness of the layers. I solved this by putting a small piece of clear tape on the model just before that last fold. The group of 30 butterflies look wonderful."

Julie, "Beautiful but... The butterflies are beautiful but they are printed just a bit off so they do not fold correctly. In origami, the folds need to be near perfect. They still look nice, just a liitle disappointed."

Shirley Murphy, "Beautiful. The pages of beautiful colorful designs and the prospect of what they could become drew me to this book of origami butterflies. I am saving these activities to share with young visitors for a mutually enjoyable experience."

Stephanie B., "Easy to make, great for the kiddos (7yrs old). I bought this set for my nephew after our trip to the butterfly farm in Aruba. He loved how easy it was to make the butterflies in this kit."

Kay, "Good directions and illustrations. Saving this till great-grandson is a bit older. But I believe he will love it."

MC Manoa, "nice!. I gave this book as gifts and they were well received. very colorful and as advertised easy"

Ebook Library Reader, "Five Stars. weklI produced designs,"

Dattaram, "Origami butterfly kids will enjoy. When it is folded it looks very realistic."

Shomita bose ghosh, "full of creativity. good product my sis loved it"

The book by Kathy Ross has a rating of 5 out of 4.2. 32 people have provided feedback.
