Synopsis

A breathtaking illustrated novel from Pura Belpre Award winner, Pam Ryan, and MacArthur fellow and three-time Caldecott Honoree, Peter Sís! Neftalí siente admiración y curiosidad por todo: los colores del aceite en un charco, un guante perdido, el viento al navegar, el canto de los pájaros. A Neftalí le encanta coleccionar tesoros, soñar despierto y escribir -pasatiempos que su padre piensa que le hacen perder el tiempo. Sin embargo, a pesar de todas las adversidades, el espíritu de Neftalí prevalece a pesar de su timidez y la crueldad de su padre hasta llegar a convertirse en uno de los poetas más leídos en todo el mundo, Pablo Neruda. Este libro inspirará a jóvenes escritores y artistas.

What people say about this book

Edgar, "Biografía ficticia sobre Pablo Neruda.. Me encanto el libro escrito por Pam Muñoz Ryan, si saber que es una biografía ficticia sobre Pablo Neruda con un toque de realismo mágico al estilo de Gabriel Marquez, lo leí para mi hija antes de dormir, al parecer también le gusto."

Ms. G, "Great read! Perfect for 8 and up. This is a beautiful book for a beginner Spanish reader or a fluent younger reader (8). Its a great read for adults as well. Book was received in perfect condition!"

jillian Wilkowski, "Bellisima!. Me encanta este libro. I'm an intermediate Spanish learner and while some of the vocabulary was difficult for me, I couldn't put the book down."

Maya8, "Beautiful story!. I love Pam Muñoz Ryan. She is an amazing author and this book is wonderful. Easy read with strong characters and as per her usual great descriptions and depictions, of scenes and emotions."

Frida Kahlo, "Marvelous, imaginative little book. This book may appear very simple as you start reading it. Then it grabs you and you won't be able to put down until you are done. I read it, not knowing or remembering what the book was about and I think this is the best way to experience this book, as a fairy tale. It is full of sounds, sights, adventures, it transports you to rural Chile at the beginning of the 20th century. I highly recommend this book, not only for children but specially for adults. The author and illustrator have created a beautiful book, worthy of The Poet."

Fernando J. Amarante, "Descubriendo el Ser al inicio de la juventud. Vivir la niñez de Pablo Neruda es lectura casi mandatoria para los jóvenes adultos que inician su Educación secundaria. Es una liberación del espíritu a pesar de las muy adversas circunstancias en casa y en el entorno."

OCarm, "Bello. Este es una historia muy sencilla, no tienen una trama compleja o dramática, pero el estilo narrativo realmente atrapa. Creo que no sólo es un libro para leer, sino para dejarse transformar por él."

Nayeli, "Excelente servicio, llego antes de lo previsto!!. Excelente producto, llego a la perfección!!"
