EBOOK DOWNLOAD

Synopsis

New Perspectives on Windows XP-Comprehensive, 2005 Service Pack 2 Update offers new coverage on how to protect your computer using the new Security Center features that are part of Windows Service Pack 2, including the Windows Firewall, Automatic Updates, and Virus Protection. This critical information ensures that students are prepared to protect their PCs from security and privacy threats.

Sort review

About the Author June Parsons purchased her first computer, an Apple II+, in 1981 and quickly became fluent in BASIC, dBASE II, Lotus 123, WordStar, and a variety of accounting programs. The next year she opened a successful small computer retail store with Dan Oja that also offered software instruction to children and adults. Dr. Parsons taught at the university level for more than 20 years. She holds a doctorate in Educational Technology and was certified by the ICCP in 1995. Dr. Parsons began writing and creating educational software for Course Technology in 1992. She contributed to the Windows for Business and Illustrated Series and developed the New Perspectives, e-Course, and Practical series. She works via the Internet with a team of highly skilled media specialists and desktop publishers located in various states and provinces. Esteemed professionals and respected authors June Parsons and Dan Oja purchased their first computer, an Apple II+, in 1981 and quickly became fluent in BASIC, dBASE II, Lotus 123, WordStar, and a variety of accounting programs. The next year, they opened a successful small computer retail store that offered software instruction to children and adults. With Ms. Parsons, Mr. Oja began writing and creating educational software for Course Technology in 1992. Together they contributed to the leading success of the Windows for Business and Illustrated Series. They also developed the New Perspectives, e-Course, and Practical series. Today's their team of highly skilled media specialists and desktop publishers located in various states and provinces work together via the Internet to deliver exceptional texts. Patrick Carey received his M.S. in Biostatistics from the University of Wisconsin, where he worked as a researcher designing and analyzing clinical studies. He co-authored his first textbook on using Excel as a statistical tool. Patrick has authored or co-authored over 20 academic and trade texts for the software industry. Lisa Ruffolo has been a technical writer and editor for over 20 years, with a recent emphasis on operating systems. She also teaches professional development courses in technical writing at the University of Wisconsin-Madison and is an avid gardener in her free time.
