What people say about this book

Tonya B., "Helpful for students. Helpful when trying to learn how to transcribe for new students"

GolfGuy85, "Clinical Phonetics 4th Ed.. Products were great. They were in perfectly new condition, arrived in a timely fashion, and were exactly what I ordered! Haven't used the cds yet, but I think they will be just as good as the book by the looks of it."

Ebook Library Reader, "Five Stars. My CDs came in great shape and work well. They were a great investment for my class. God Bless."

Ebook Library Reader, "Companion to book. I was required to purchase this CD for class. It really does help make learning the content of the book a bit easier."

Walter Gonzalez, "Audio CD's for class were perfect!. The audio CD's were new, in perfect condition as promised. They play perfectly. Completely satisfied. Hope to do business again."

Elizabeth Revelise, "Five Stars. Just what I needed for the class."

Sarah Huntley, "Five Stars. just as described!"

The book has a rating of 5 out of 4.4. 13 people have provided feedback.
